Commemorative Brick Fundraiser

Recognize family and friends with a commemorative brick at Haven Hill in Highland State Recreation Area engraved with your sentiments and placed permanently around the Conversation Ring at Edsel and Eleanor Fords’ historic Gatehouse.

Commemorative Brick Pavers

Since the fall of 2017, the 501c3 volunteer group “Friends of Highland Recreation Area” has maintained an ongoing Commemorative Brick circle project at the Haven Hill Conversation Ring in Highland State Recreation Area, MI. The site is on the grounds of the Haven Hill Gatehouse, which was the former entrance to Edsel and Eleanor Ford’s historic estate. The peaceful garden location is ideal for quiet personal reflection and thoughts of loved ones. Consider a brick paver as a tribute to a friend, family member, or a beloved pet. Your chosen wording will be engraved on a personalized brick that will become a permanent part of Haven Hill’s rich history.

Brick Dedications For a donation of \$60.00 your brick will be a wonderful and unique gift and a lasting legacy. Bricks are 4”x 8” and can be engraved with 3 lines with up to twelve letters and spaces per line (content is subject to approval). Some symbols are available, so if you would like a heart or a cross or something else, please consult with us regarding your ideas and the available choices.

Proceeds All proceeds from the brick sales will be used to support the continuing efforts of the Friends of Highland Recreation Area to renovate and repurpose the Edsel and Eleanor Ford buildings at Highland Recreation Area and to maintain the commemorative brick circle.

Special Note Brick orders will be received and processed for two installation sessions each year. Contact FOHRA for the next installation target date.

Ordering is Easy Complete the attached form and include a check or money order payable to Friends of Highland Recreation Area.
